

SCG SINGLES CLUB BOARD MEETING
TUESDAY, May 5, 2015
Palm Center

Present: Jerry Bing, president, James Popiel, vice president, Roger Tharp, treasurer, Nancy Mossman, secretary, Novelle Ballard, activities director, Darlene Weistling, ticket sales director, and Charlotte Wilkinson, membership director. Also present was member Al Garza.

The meeting was called to order at 2:02 pm.

The April minutes were approved via email.

President's Report: Jerry Bing

- Jerry reviewed several matters dealing with the Cinco de Mayo event on Sunday, May 3. First, CAM does not want the tables moved in the Pavilion at all, but if we move them ourselves, we must put them back. Second, there were 25 people who paid at the door, and most were fans and friends of the band. Barb Anderson, the host of the event, was able to somewhat plan for this and Dillon's usually provides extra food.
- Jerry said she asked Susan Sellars to be the club photographer, and she is doing a great job. She has worked with Ira Simmons to get some of the latest photos on the web site. The Board sends a big thank you to Susan for volunteering.
- Jerry wants to start planning for the Holiday Gala now. She will contact three bands to get prices; she will contact Bradford Ridge, who played last year, Laura Fials, who played at the Cabaret event, and one other band. Novelle said she would contact Pam Moriarity. We will probably use Sharkos again for the dinner, because they did so well last year. We will again rent the seat covers, because they were so nice. The centerpieces should not be as tall this year.
- Jerry brought up the baskets at Coco's used to collect \$1 from each person attending for room usage. She asked if the Board thought we should

continue with this practice when we move inside for the summer. After discussion, the Board decided to leave the policy in place but to not put out the baskets on the tables when we are inside for the summer because there is less set-up and clean-up inside. We will monitor how this works. We will put out the baskets again when we move outside.

Vice President, James Popiel

- Regarding inviting the singles clubs of Briarwood and Sun City West to our events, James said we need to have them make reservations if they wish to come so we can plan for food. They can call Darlene Weistling, ticket sales director.
- Charter Clubs here in SCG and others who are not Singles Club members are welcome, also, and there is news of our events in the Grand Lifestyles. Again, to avoid drop-ins, the information in the magazine should say that tickets or reservations are necessary.

Treasurer, Roger Tharp

- Roger passed out a report that showed the collection of fines paid for failure to cancel a Thursday golf tee time and how this money was distributed. This money does not run through the singles club treasury, but Roger wanted to disclose the transactions.
- Roger also passed out a balance sheet which shows our cash balance is \$8,466.44. He also distributed profit and loss reports for April activities and year-to-date activities.

Secretary, Nancy Mossman

Nancy reminded everyone that she needs either approval or additions and corrections when she sends out the minutes. If you have no corrections, please respond "Approved." If you have corrections, please email them to her and she will make the necessary changes and email all of you back a revision for your approval.

Activities, Novelle Ballard

- The May calendar is full. The photo scavenger hunt was cancelled because only 10 tickets were sold.

- In June, there will be an ice cream social called Sundaes on Friday June 26. Nancy Trice will host. On June 14, Marlene Grounds is hosting Hot Summer Nights. This event is in the planning stage; tickets will be \$15.
- Novelle asked our opinion about the singles mixer at Briarwood country club and if we wanted to repeat it in June and August. After discussion, the Board decided it is a good event to have on the calendar in the summer and is no work. The calendar and eblasts will show the dates.
- Novelle welcomes ideas for July and August.

Ticket sales, Darlene Weistling

- Darlene reported the following April ticket sales: trivia contest, 22; John Tuel's party, 49 tickets sold and 3 at the door; Cabaret, 80; poker, 22; putting contest, 52.
- Darlene said that the Post Net store we have been doing business with has raised their prices, and she wants to shop around for a different printer. Jerry Bing said she would help and asked Darlene to put together a packet of samples of the things we regularly print.
- Hyacinth Goddard will substitute as ticket seller at West End when Barb Anderson is away this summer. She will also fill in at Coco's when Lorrie is away.

Membership, Charlotte Wilkinson

- At the last party for new members at Larry Lincoln's on March 5, 6 people attended. Charlotte said she will plan another part at Larry's in the fall, probably early November.
- At the new member meetings at Cimarron, there were 4 people attending one meeting and only one at another meeting. There will be no new member meetings in May, June, July, August, and September. They will resume in October.
- We currently have 260 members. New members added after the printing of the membership list will be put on an addendum.

- Al Garza repeated his idea for an “amigos” program or buddy program for new members. He and Charlotte will coordinate this effort.

The meeting was adjourned at 3:37 pm.

Respectfully submitted
