SCG SINGLES SUMMER 2004 CALENDAR

A message from the President

The volunteers on the Singles Club Board work hard to offer a varied and appealing year-round schedule for our members. They organize and promote events, parties, programs and activities; provide our newsletter and website; manage our finances and membership lists; arrive at our gatherings early to set up and stay late to clean up; and reach out to our members and prospective members. Help us keep the momentum going! Please call Clair (214-3950) or Elaina (975-0800) if you are interested in becoming more involved by being a board member in 2005. IT'S FUN TO BE INVOLVED!
